Mr. Kline:

We have received your password for eli.r.kline@gmail.com email account for collection purposes, thank you.

However, we cannot proceed with any of the collections for your three email accounts (deplorabletruth@gmail.com; eli.f.mosley@gmail.com; eli.r.kline@gmail.com) without your assistance to bypass the 2-factor authentication security set up for these Gmail accounts.

Can you please respond back with date/time that works for you to connect with our forensic team to address the 2-factor authentication?

Thanks,
Ken

Mr. Kline:

Reaching out to you again for the password to access your eli.r.kline@gmail.com email account for collection purposes – please let us know.

Also, can you please confirm that you are in receipt of your mobile device we shipped out on Tuesday (Fedex tracking is showing it was delivered yesterday)?

And, finally, Bobby Williams reached out to you yesterday about setting up a date/time to address 2-factor authentication for your deplorabletruth@gmail.com and eli.f.mosley@gmail.com email accounts to access for collection purposes – can you please respond back to him with date/time that works for you?

Thanks,
Ken

Ken,

Here is an update to your list as well as the info that you requested. I will be sending the rest of my discovery documents today as well.

Eli.f.mosley@gmail.com password is [REDACTED]. I do not know the password for the Identity Evropa email address as my account information was deleted. Please let me know if there is any other information you need from me for these accounts, and can I get an ETA on getting at least one of my iPhones back because communication has been pretty tough without it.
